**Club News** Felicity Austin presents "An Old Fashioned Christmas" on Wed 8<sup>th</sup> Dec, with audience participation. £2.50 per person includes tea/coffee and cake. Wed Apr 6<sup>th</sup> a Community Champion Volunteer from Bradgate Park presents "The people of Bradgate- the story of the family that has influenced the Park and surrounding area, The Greys". Looking forward to 2022, our Platinum Anniversary Year, which we will celebrate along with our Queen's 70 years, both remarkable achievements. Our Club goes from strength to strength and we intend to engage with members to make it a year to remember. We intend to re-establish popular one-off events, such as river/canal trips with lunch, group garden visits, theatre outings and visits to local places of interest. There will be a trip to see **Billy Elliot the Musical** at Curve Theatre on Thur 21<sup>st</sup> July 2.15pm. Anyone interested please contact Joyce.

However, after many years, sadly we are losing Wendy as our monthly Coach Outing Coordinator and we are looking for someone to take on this role otherwise we will no longer be able to offer these looked forward to trips.

It will require someone with good organisational skills who is able to deal with arranging visits to various places. We very much appreciate the work that Wendy has done over the years and she will of course be able to assist in helping someone with advice.

Recent increases in the cost of living mean we will need to review our prices for 2022

**The Barrow upon Soar Good Neighbour Scheme** links neighbours who need some support, with local volunteers willing to help. Types of support include Befriending, Transport, Household tasks and IT Support. Support is available to all residents of Barrow upon Soar who are over the age of 18. Simply call their Telephone Coordinator on **07771 625 591**

**Breast Screening** Screening units no longer offer drop-in screening on request. Breast screening for women aged 50-70 is by appointment only. Invitations for screening are sent automatically to women up until their 71st birthday. Women aged 71 or over can contact their breast screening unit to make an appointment every 3 years.
