Chairman's report

There is lots happening at the Club during December, a busy month for many of us with dinners, a carol service and a party! I look forward to seeing you to join in the fellowship. I am particularly looking forward to the dinner at Longcliffe Golf Club, it must be the fourth year that we have chosen this venue and we have booked for almost 90 people so a bumper crowd.

I hope to see many of you at our Carol Service on December 11th when the Bishop Beveridge Singers will be in attendance to boost our voices with carols old and new. Then on December 18th we have a Christmas Celebration/Social afternoon where all those who put their names down to attend will be able to come along and enjoy some festive fare.

I am aware that there have been some discussions about how fair the current system is for those who wish to attend club social events. The committee are introducing a scheme to address this. In future a notice will be displayed on the board to advertise the relevant event, the time, place, cost and that anyone wishing to attend should ask a committee member to add their name to the list. Payment will be taken at the same time. This new system will be reviewed at the end of January.

Our Christmas tree at the festival in Holy Trinity Church looked amazing, thank you to everyone who contributed to making the 'Christmas boxes' also to Val Carlin, Val Gillings and Angie Sharpe for taking the tree to and from church. The craft sessions for making these boxes were so successful that a request was made to hold a regular craft afternoon. The committee agreed to this suggestion and the first of these will be on Wednesday 5th February from 2.30pm. I hope to see you there and we'll be putting our stock of knitting wool to good use.

Finally, news about our defibrillator, it is now installed and operational. We are grateful to the Joe Humphries Memorial Trust for their support with this project, they are also going to provide CPR and defib training on Wednesday 8th January for anyone that is interested so please come along to the club at 2pm on that afternoon if you would like to take part.

**On behalf of the committee I send you the very best of wishes for
Christmas and for a Happy New Year** *Ginnie Willcocks*
