Club News/Information

The new system for booking a place for a club social event seems to be working quite well. A notice is displayed on the board to advertise the event and indicate when booking can begin. Once bookings begin a person asks a committee member to take payment and put their name on the list. A receipt is then provided. Payment by card, cash or BACS please.

Craft sessions held on Wednesday afternoons are proving a success. People can bring their own craft materials or use those provided.

Welfare scheme - a reminder. Club members who have been in hospital or are ill receive a card and small gift from us. If you know of anyone, please pass details to Honor Neale and she will arrange to visit them. Tel: 07810 423481

The traditional telephone network (PSTN) is being retired and digital technology (VoIP) will be replacing it. BT plans to replace its network by January 2027 and other Companies like Virgin Media, plan to do the same. For a few people there will be things that need consideration, especially if they depend on a landline which may not work in a power-cut. Also, care alarms and burglar alarms may need to be adjusted or changed. If you have any concerns about this change over you can talk to us about it and we might be able to help.

A big thank you to Joyce Noon and Wendy Woodhouse. The Club has benefited from countless hours of work Joyce and Wendy have spent organising things over the years. They will continue to help us but are cutting down. Joyce has retired as Booking Officer and Wendy has retired from organising our volunteer helpers. The Committee very much appreciate all that they have done. Honor Neale is taking over with our volunteers and Angie Sharpe is working on a new system for bookings with a dedicated phone and email address:

Canal boat trips are being organised again for members with mobility difficulties or health issues, that prevent them going on our coach trips. Let John Fletcher or Di Cave know if you are interested. Hopefully we will not get disrupted by floods like last year when we had 3 trips cancelled (2 by flooding and one because the boat got damaged).

Hall Bookings Joyce Noon has retired from her position as Booking Officer after many years of excellent work. The committee are extremely grateful for the work Joyce has done. For bookings please email: bookings@bishopbeveridgeclub.co.uk or phone/text 07435 028043
