Welcome to the Bishop Beveridge Club.

In the past we have kept a list of club members but we are not sure whether this is up-to-date. Also we feel the time is right to move with the times and keep a proper electronic record of our club members. This will eventually allow us to keep in touch with members using computer technology as and when more and more members make use of such technology.

So we have drawn up the form overleaf for you to complete with your contact details including name and address, telephone number (both landline and mobile if you have both) and email address (if you have one). There is also space for you to provide your date of birth and wedding anniversary (if applicable) but if you would prefer not to let us have this information that is fine. We like to celebrate and mark notable anniversaries* of our members and this would be one way of obtaining this information; at present we rely on word of mouth.

Rest assured that if you do not have access to, or the desire to use Information Technology, we will still use traditional methods of keeping in touch but would ask you to complete the form for our records. Also we will make sure we comply with the Data Protection Act and will not pass on your details to anyone without your prior approval.

We would ask you therefore, to please complete this form and return it to one of the committee members as soon as you can.

Many thanks.

* 80th and 90th birthdays and golden and diamond wedding anniversaries
